

MRHS Marching Band Sponsorship Form

Greetings!

Thank you for your interest in, and consideration of becoming a sponsor of the MRHS Marching Band Program. Now, more than ever, music & arts education is becoming increasingly more vital in the lives of our students. As more schools are temporarily moved to online learning, the education and experiences gained through music & arts education provide students with invaluable connection, expressiveness, creativity, and problem-solving skills. We take advantage of every option available to provide our students with high level musical experiences in person, or virtually.

We are seeking sponsors to team with us in the cause of providing music education at the highest levels possible, and with the best resources available. Below I have outlined some recent, notable highlights of our Marching Band program at Mountain Ridge High School, as well as the cost required to support these experiences.

MRHS Marching Band-Cost to run for 2020 competitive season: \$25,640
